

Anand Charitable Sanstha's Diploma In Engineering & Technology, Ashti 414203

COMPUTER DEPARTMENT

Vision of the Department:

To create the most conducive environment for quality academic and research oriented undergraduate and postgraduate education in computer science and engineering and prepare the students for a globalized technological society and orient them towards serving the society.

Mission of the Department:

- **M1:** To impart high quality professional training at the postgraduate and undergraduate level with an emphasis on basic principles of computer science and engineering.
- **M2:** To establish nationally and internationally recognized research centres and expose the students to broad research experience.
- **M3:** To empower the students with the required skills to solve the complex technological problems of modern society and also provide them with a framework for promoting collaborative and multidisciplinary activities.
- **M4:** To impart moral and ethical values, and interpersonal skills to the students.

Program Educational Objectives

- **PEO1:** Develop the knowledge and skills in the hardware and software profession to meet the global needs.
- **PEO2:** Build the technical, ethical and communication skills with leadership qualities in the profession.
- **PEO3:** Extend entrepreneurial skills for student's livelihood.

Program Specific Outcome

- **PSO1:** Acquire software Knowledge and implement them in various fields.
- **PSO2:** Contribute the engineering skills in hardware, network management and computer security
