**MECHANICAL DEPARTMENT**

**Vision of the Department:**

To maintain an intellectually challenging and collaborative environment which is supportive and welcoming, and that enables and encourages our students, faculty and staff to achieve their best in a diverse community.

**Program Education Objectives**

**PEO1:** Majority of our students working in core engineering domain.

**PEO2:** Appreciable number of our students working in product development.

**PEO3:** Recognition of our students for solving social problems.

**Program Specific Outcomes**

**PSO1:** Engineer will be able to effectively manage mechanical engineering processes related to thermal and design engineering by optimal application of identified tools and equipment using proper statistical quality control techniques and TQM.

**PSO2:** Engineer will be able to practice designing, drafting, manufacturing techniques by adopting modern software.
